

“For Tia, who has in every way, been such an important part of this special day.”

To Our Family & Friends –

With much thought and consideration, we have chosen a special way to say “Thank You” for sharing our wedding day with us.

We feel the finest gift we can give as we start our life together, is one that helps others live longer and healthier lives. We truly appreciate your being a part of our special day.

In lieu of a traditional wedding favor, we have made a donation to The Summer Hope Foundation, a non-profit organization supporting the fight against cancer and those who must endure it. Through gifts such as this one, Summer Hope is able to provide the small moments of hope in which the battle against cancer is won.

This donation is made in memory of Maryanne Weiner.
